WASNT it too bad! After putting up such a half-hearted game for nine innings, to allow those horrid Miners to come along in the tenth and win out. It's hard luck, sure enough; but then, it's all in the game. We'll try them again this afternoon, and perhaps the result will be different.

Yesterday's game was by far the best exhibition of baseball seen here this year, despite the fact that the Miners were badly beaten. For nine innings both teams put up the idea of what happened. The Miners came to the bat in the ninth the Elders were one tally ahead, but timely hitting pinched out the run and necessary to tie the score.

The tenth inning marked the sacrifice of the Elders. Disaster trampled upon each other's heels, so quickly did they follow. Like a pack of ravenous wolves the Miners fell upon the Elders' defense, and not until the smoke of the bat had cleared away did the Miners realize the situation. Four singles and three doubles will give a faint idea of what happened. The Miners were present can realize the grief and heart-rending they brought. An oppressive stillness pervaded the grand stand as the score's going rang out six times at the close of the tenth inning, sounding, as it were, the death knell of the Saints.

**"Sunny Jim" Had an Off Day and Hit the Ball.** The Miners' pitcher, Sunny Jim, had an off day and hit the ball. The Miners' pitcher, Sunny Jim, had an off day and hit the ball. The Miners' pitcher, Sunny Jim, had an off day and hit the ball.

**Two Home Runs.** The game was full of sensations. "Bill" Hansen and Bert Delmas each knocked the home run over the left-field fence for home runs. Hansen made his first, so he will be entitled to the \$10 offered for the first home run made each month during the season.

Each team had its share of brilliant fielding, although the Saints had a trifle the best of the argument. "Dutch" Muller made some good running catches in the garden and a beautiful throw to second that fairly enthused the bleachers, and almost nabbed Jimmie McHale, who imagined that he was safe by at least a city block.

Ward, the new outfielder, hauled down four nice ones, two of which were rather difficult catches. "Kid" Spencer, the Butte left fielder, also executed a pair of clever running catches, and McHale, as usual, came in for a share of the honors in the middle garden.

**Fred Weed Is Injured.** Fred Weed was injured in a collision with Swindels and was compelled to retire from the contest. Although badly hurt for a few minutes, Weed held out to the ball and succeeded in putting the runner out. Swindels slid into the sack feet foremost and struck Weed in the head. The Elder third baseman was "down and out" for a short time and was replaced by Tozer. However, his injury was not serious and he will be in the game again today.

Following is a detailed account of the sad events that occurred in the tenth inning. The score was tied, each team having four tallies. Wilnot came to the bat and lined out to Muller in the left field. Runkle was next with a two-strike, and McHale followed with a single. Swindels managed to connect with the spheroid and drove one down to Blaylock at short. Blaylock followed with a single. Butte catcher reached the first cushion in safety. Runkle, too, was tagged of the play and was next in line, perished on a fly to Just Before Striking Out. Then the slugging Spencer swatted the ball for two sacks and McHale and Swindels galloped home. "Piggy" Ward secured a single. Hoff-

The Union School baseball team defeated the Collegiate Institute team yesterday afternoon by a score of 9 to 5. The outcome was a surprise to everyone, especially to the youngsters, who were merely supposed to be giving the Collegians a little practice before their next game with the High School. The Union team is composed of a bunch of clever youngsters, and they certainly know the game.

Pitcher Ridges would be a credit to any junior team, and his record yesterday was a long way toward winning the game. Keate played a good game at the first base, and for which came from their number of sharp grounders. Bachman and Keate were the star batters for the Union team.

The Collegians played well at the outset, but as the game progressed they were considerably annoyed by the shouts of derision and for which came from their younger opponents. Pitcher McNeice was hit repeatedly, but the score might have been kept down had he received the support. The Collegians were especially weak at the stick.

The teams lined up as follows:  
Union School: Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen.  
Collegiate Institute: Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen, Hansen.

HAUSEN WOULD NOT STAND IT TO HAVE HIS PICTURE TAKEN.

meter hit it out for two sacks, and two more Miners trailed home through the mud. "Sunny Jim" Shaffer hit safely to the left garden, advancing Hoffmeister to third. Wilnot took his second turn at the stick and drove one out between first and second bases, which permitted Hoff to score. Runkle swatted the ball hard to left field, but in doing so he had over-looked "Dutch" Muller, who lay concealed among the dandelions. Runkle copped the hit without moving from his tracks, scoring his third put-out in this inning.

This ended the disastrous tenth inning, in which the Miners scored six tallies. The Elders had another time at the bat, but they could do nothing. Muller got a hit, but perished at first. Tozer and Gimlin struck out and Hansen retired on a foul fly that was captured by Swindels.

Spencer for the visitors pitched an excellent game. He was touched up for a total of eight hits in ten innings, but kept them pretty well scattered. He struck out seven of the Saints, and did not give a single base on balls.

**"Piggy" Ward Could Be Seen From All Points in the Bleachers.** Ward was discovered and gave away seven safe hits, three of them doubles. Following is the official score:

BOISE, Ida., May 6.—But for a three-hitter by Murdock in the first inning Spokane would have been shut out by McCloskey's coits today. The home team played a beautiful game and won by a score of 7 to 1, thereby gaining sweet revenge for the previous day's drubbing. A throw to first by Ruckelshaus was the only misplay of the day. Martine distinguished himself by robbing Boise's second baseman of a double by his leg. Holland won plaudits by picking a hard one from Ruckelshaus in the fifth. Houtz's batting and fielding were strong features. McFarlan pitched a steady game and was excellently supported. Hogg received fine support, but in spells he seemed to be rattled. During the day umpire McCarthy was called upon to enforce discipline, putting Reilly off the field. He took the benches too vigorously. Summary:

There is no purse or side bet on the second game, but if the Salt Lakeers are anxious for it they will be accommodated. The new grounds will be in good condition by that time and the clearing and fencing finished, also the grand stand. The local team will have a practice game at the Summit grounds on Sunday.

EDDIE QUICK IS  
SOLD TO WILMOTFormer Salt Lake Pitcher Bought Up  
by the Butte Manager—Miners  
Have Six Slab Artists.

EDDIE QUICK has been sold. Arrangements were perfected last evening whereby the former Salt Lake pitcher goes to Walter Wilnot and the popular speed merchant will henceforth perform in a Miners' uniform. The price paid was not given out.

Some days ago Quick was suspended by Manager Gimlin on the grounds that he did not have the welfare of the Salt Lake club at heart. Wilnot immediately made overtures to the Salt Lake manager for Quick's purchase, and his offer was accepted last evening. It was stipulated in the agreement that Quick is not to perform for the Miners during the series this week.

Quick has been under a physician's care for some weeks past, but he is better now and will be able to pitch within a few days. He will do a little work each day that the Butte club is in the city, but not until after the Miners leave the city will he take part in any game.

Manager Wilnot is quite elated over his success in securing Quick, as he considers the former Salt Lake pitcher as one of the best pitchers in the league. The Butte team's pitching staff is now composed of Bandelin, Quick, Spore, Howell, Orwick and "Pete" Dowling, who will join the team on the 10th.

V. H. Drinkwater, a former coast league pitcher, arrived in the city yesterday and joined Wilnot's bunch of ballsoilers. Drinkwater was signed several days ago, but the acquisition was not made public until yesterday.

Drinkwater has been playing ball down in Southern California all winter and is in good shape at present. He may pitch this afternoon.

The Boise Babes got sweet revenge from the Indians yesterday, trimming them by a score of 7 to 1.

This is what "Slats" Davis calls a "heavy" play. Swindels was struck on the head with the ball by Pitcher Essick the ninth inning and walked to first base. A moment later he attempted to steal third and bumped heads with Fred Weed. "That's brainy playing," quoth Davis, as he sped toward the injured fielder with a water bucket.

Manager Reilly of the Spokane club is looking for a first baseman. He made an ineffectual effort to secure "Sunny Jim" Shaffer of the Butte team, and is now looking about for another good pitcher. Frary, the present first-sacker, is said to be too slow.

## ALL GETTING READY FOR HIGH SCHOOL MEET

Although a week remains before the High School State track meet will be pulled off, the committee in charge is busily engaged in making the preliminary arrangements for the contest. The Salt Lake High School, the Ogden High School and the Park City High School have signified their intention of entering the meet.

The winners of the meet and the various events are to be lavishly supplied with prizes. In the names of the University, the Byrons will present the winners with a silk pennant. The University Athletic council, which has the affair in charge, will give silver medals to the winners of first places and blue ribbons to those who win second places.

This is the first high school meet that has ever been held in the city. It is being centered in the outcome. Especially keen rivalry exists between the local school and the Junction City school. The meet will probably become an annual event and will be a means of developing material for the University track team.

**Long Shots Get the Cash.**  
SAN FRANCISCO, May 6.—Well-supported
